From Your Pastor

Last week I gave you all a New Year's Resolution to pray each day through our church directory. Some of you have already told me what a difference it is making in your lives. I hope it continues to bless you and that all of us will constantly and continually keep our church and all of the friends and families in our prayers.

Also, yesterday during the Children's Moment, I challenged the children with a New Year's resolution--to introduce themselves to one new person each week for the whole of 2020. So, I also encourage you to make this a little easier on them by going up and speaking to any and all of our young people. I guarantee you it will make a difference in their lives and in yours. As I recall my childhood in the church, I cannot remember many (if any) of the sermons. I cannot recall any Sunday school lessons. Yet, I do remember the people in my church who helped me along my faith journey--just by being present on Sunday and greeting me each week.

Finally, I heard that the Core 13 Sunday school class has been challenged to invite and help disciple 20 new families for 2020 (or to encourage those they have not seen in awhile to return). So, I extend that challenge to all of us. Let us see how we can share our love of God and Loyd Church by telling others what we have discovered here.

Grace and Peace,

RIX
