Core 13 Update

Please pray for Scott Jones who had neck surgery this morning (6/25/2020). Please keep Dr. Rix and the complex various aspects of locating a new pastor in your prayers also. Several people are traveling for family concerns.

What does one think about the current situation in our country that affects us here in Troup County in many factors: Contagious disease, rioting, murders, destruction of private property, and a loss of many economic improvements.

With so much uncertainty clouding the ability to plan and the freedom to move about, The situation makes one pessimistic about near term ministry. We just do not know how long it will be before we get an all clear to be sociable again. I am thankful for worship services each Sunday at the pavilion!

A major problem is that of simply losing people during this undetermined length of time. People do other things on Sundays, forget about the need to be a part and plainly lose the need to worship and learn about Christ. In all probability we will see our group and church numbers fall, but nothing would make me happier than to be dead wrong on this matter! So please keep Loyd and Core 13 in your prayers. Also financial demands or fixed costs of Loyd continue no matter if church meets or not, so please remember our church's financial demands through your your tithes and giving, by mail or electronic banking.

We know this situation can also make us stronger as a family of God. Please be open to his leading in terms of ideas as to what might be done to restart with a bang when we can!

Cordially in Jesus,

A Message From the Session

Our nation and our church face challenging times due to the corona virus pandemic and our church's transition to new pastoral leadership. Denied the fellowship and communication opportunities we cherish as a congregation during normal times, the Session wants every member of our church to know that the Session stands ready and willing to hear from the congregation. If you have concerns, questions or suggestions, please feel free to contact any member or members of the session to share your thoughts. Through the grace of God, the presence of the Holy Spirit and the love we share as members of Loyd Presbyterian Church, we will emerge from this unsettling era even better prepared to fulfill our role as a lighthouse beaming Christian love throughout our community.
