Notes of Thanks:

Dear Loyd Presbyterian Church,
 We received 12 whole blood units. We really appreciate y'all so much. Of course Wellstar also appreciates it. They are having a tough time right now.
 12 might not sound like a lot.... but each unit saves 3 lives.... so that's 36 actual people who will benefit from your drive!!!
 Thank you so very much!

Dear Loyd Presbyterian Church,
 As many of you know, I leaped off my porch on June 4th. I guess I lost my balance! I give God all the glory for no broken bones. I have a bone bruise and discomfort at times. The doctor tells me it will take a little time to heal. This year, to say the least, has been different!!! I just wanted to thank you all for the call, cards, and prayers. I look so forward to the time when we can all be together again. I am so blessed to be a part of Loyd Presbyterian Church.
 Blessings,
Elaine Howard

We have met and reviewed both CDC Guidelines and Greater Atlanta Presbytery suggestions.

We have determined the following:

- All church service to be held in pavilion until further notice.
- Some picnic tables need to be moved to allow more seating in front and middle of pavilion, this would allow the back for larger families.
- As few people handling the bulletins as possible, perhaps left on table along with hand sanitizing station.
- Encourage all to use mask and social distances,
- Keep record of attendees in case someone becomes infected, we would be required to contact all who might have been exposed
- If temperatures continue to rise, an earlier service time might be suggested.
- No renting of any Loyd Presbyterian Church property including Chapelwood, to any members or non-members.
